A replacement bench would be considered if it could not be repaired.

Mark Bullent asked whether someone did checks in the village, this was done by Martin Lamb previously. It was **agreed** to put this on the next agenda when hopefully there would be two more councillors. **ACTION: Clerk**

b) Village Hall Committee Report

Amanda Bayfield noted that the Village Hall remained closed and that a Coronation event had not been possible.

The asbestos removal was booked for 12th June 2023 and the works were booked to begin on 26th June 2023, subject to completion of the asbestos removal.

The VAT advice from the consultant was noted, and a discussion had taken place with the Village Hall Committee regarding a formal lease. Further communication had been received from the Village Hall Committee and the conditions were discussed. The insurance condition was the problem, and it was noted that there was no insurable relationship for the Parish Council to take on the Village Hall's public liability insurance. It was **agreed** that the Clerk would write back to the Village Hall Committee confirming that they would remain responsible for their own insurance.

Amanda Bayfield reported that Adnams had given a grant for items to the value of £1,000 for the kitchen area.

Amanda Bayfield noted that a list of local businesses had been collated, and the letter was circulated noting that sponsorship packages could only be to the value of £4,999 otherwise the Council would have to register for VAT. It was **agreed** to proceed with this, and noted that any plaques etc would come from the sponsorship, proposed by Jean Hodgson, seconded by Vivyan Bishop, 2 in favour, 1 against, 2 abstentions, motion carried.

ACTION: AB

Mark Bullent reported that he had seen the neighbour who had asked to be informed of when the work would be starting, and was happy for the builders to access her property. A meeting would be arranged the week before works were due to commence to walk and talk through the works.
